CORE COMPETENCIES

Leadership | Cross-functional Collaboration | Project Management (End-to-End) | Problem Diagnosis & Resolution | Technical Documentation | Analytical Thinking | Adaptability | Customer Service | Stakeholder Communication

PROFESSIONAL EXPERIENCE

ICT Authority Kenya | Kenya Institute of Highways and Building Technology – 2026 – Present
IT Graduate Trainee — Presidential Digital Talent Programme (PDTP)

- Manage and maintain the KIHBT institutional website using Drupal CMS and cPanel, ensuring content accuracy, site stability, and availability.
- Support backend website operations, including file management, databases, and server-side configurations via cPanel.
- Install, configure, and troubleshoot internet connectivity across the Nairobi and Ngong campuses to ensure reliable access for staff and students.
- Diagnose and resolve network connectivity issues to ensure consistent uptime across institutional infrastructure.
- Design digital content (posters, newsletters, brochures) for KIHBT's website and social media platforms using Canva Business.
- Provide advanced end-user technical support, including system troubleshooting and performance optimisation beyond routine helpdesk tasks.
- Participated in the Business Process Re-engineering (BPR) formulation workshop in Naivasha, contributing to business process mapping, stakeholder requirements gathering, and workflow documentation for the proposed KIHBT Student Portal (ERP implementation)

Remote — Freelance — 2024 – 2025

Web Developer & UI/UX Designer

- Designed, developed, and deployed responsive websites for individuals and small businesses, managing the full project lifecycle from planning to deployment.
- Delivered UI/UX design, graphic design, and SEO optimisation solutions for digital platforms.
- Improved website performance, accessibility, and search engine rankings through technical SEO, including blog content and strategic hyperlinking.
- Managed end-to-end client relationships, including requirements gathering, iterative development, testing, and delivery.
